FOREWORD

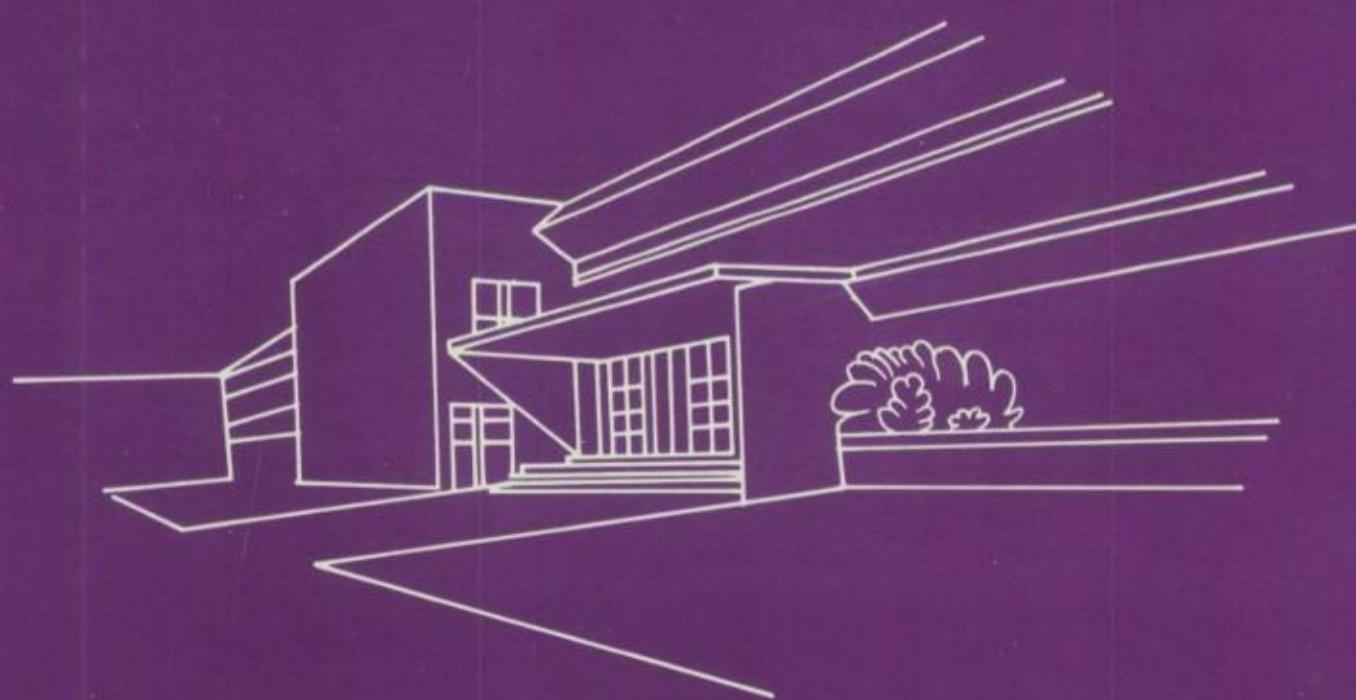

A reflection may be a distinct image or merely a hazy outline, but it always resembles to some extent the original. The quality depends upon the reflecting surface.

An individual may be a reflecting surface, becoming a part of all that he has met. The high school years consist of many images cast upon the personality of each student. Education itself is aimed toward accurate and meaningful reflection of human knowledge and experience. This book mirrors a segment of that experience—that wonderful year 1964.

"For now we see through a glass darkly, but then face to face . . ."

Charles M. Berry
Principal

Pride in a winning team and school radiate from a proud administrator's face as he congratulates Coach Bill Allen.

Mr. and Mrs. Berry with daughters, Beverly and Dixie, share a proud moment with son Mark upon his 1963 graduation from Paschal.

DEDICATION

Upon his appointment two years ago as principal of Paschal High School, Mr. Charles M. Berry faced a gratifying challenge, the direction of one of the largest high schools in the Southwest. This challenge was a high point in his career as an educator and administrator.

Hard work, courtesy, and pride in being a Panther are characteristic of Mr. Berry. Such qualities have accompanied him through more than thirty years of teaching, counseling, and coaching. Mr. Berry's day does not end at 3:40. He works late at school and carries work home each day. In this way he maintains a reputation as an excellent school organizer.

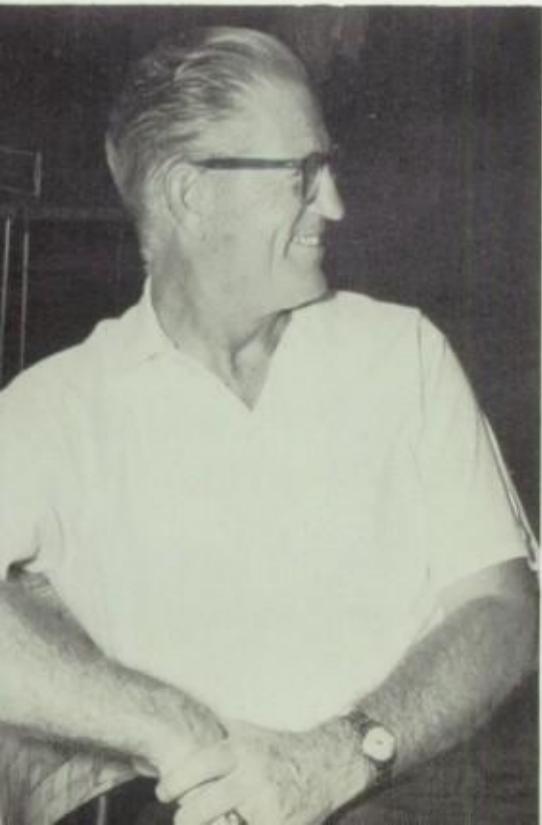

In addition to being an avid reader, Mr. Berry gets much pleasure from time spent working in his yard. His meticulous work with plants and lawn makes his home a place of beauty. He takes great pride in his family, which includes three Paschal graduates. As participant, judge, and viewer, he has a love for athletics in its every phase. Because of this, he is especially interested in Paschal's athletics and in the promotion of school spirit.

Through triumphs and trials, Mr. Berry has been a firm but fair leader. He has been Paschal's staunch defender in the face of outside criticism and has evidenced his faith in the essential responsibility and maturity of its students. Genuine liking for young people has enabled him to say, "I have been happy in my work."

For these qualities of industry, loyalty, firmness, and fairness, we recognize Mr. Charles M. Berry. In this spirit, we dedicate to him the 1964 Panther.

Mr. Berry enjoys a rare moment of relaxation from official duties.

Our principal exchanges flags with Eduardo Amadeo, symbolic of the warm ties formed during Project Amigo.

There are moments of action and moments of quiet vision in the life of an administrator.

A familiar part of daily activities at Paschal are Mr. Berry's addresses over the P. A. system.

STUDENT BODY OFFICERS

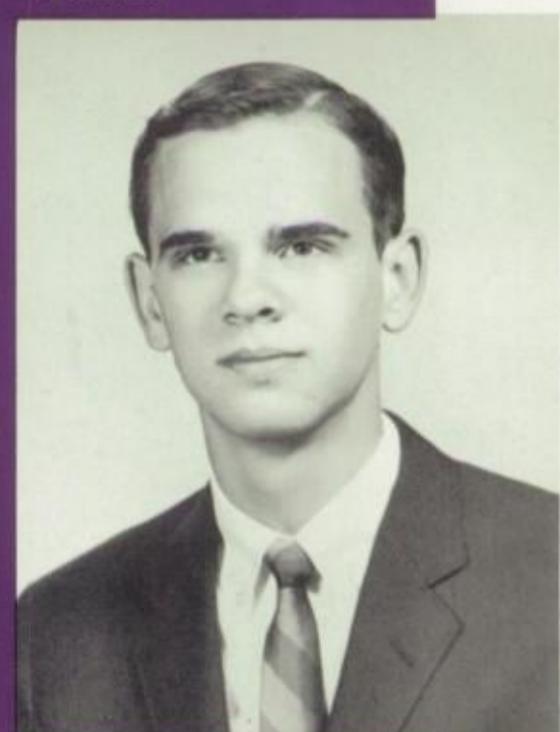

Elected to serve as a link between the students and the administration and faculty, the student body officers help to correlate and publicize school activities. In addition to representing the Paschal student to the public, they have such specific duties as presiding at assemblies and leading in Service Council projects. Thus they help reflect the wishes and standards of the student body—the spirit of the typical Panther.

In the high school classroom a teacher strives to lay a foundation for the practical application and further study of her subject.

A counselor provides personal guidance as students make the all-important decisions of their high school years.

In addition to hours spent in the classroom, a teacher spends much time in preparation and study.

As a teacher consults with her principal, faculty and administration work together toward a common goal.

FACULTY

Reflections of a school year invariably include the image of teachers. The faculty, composed of dedicated educators, help make life at Paschal pleasant and profitable. With their help students become increasingly aware of the value of education. This education consists, in part, of a teacher's influence upon his pupils — both direct reflection and stimulation toward independent thinking.

The little auditorium reverberates with a mighty cheer.

A winning team and a wonderful homecoming dance give Paschalites memories to cherish forever.

Style show queen nominees anxiously await the magic moment.

The red glow of royalty, a cascade of color, greets Paschalites at the beginning of an enchanted evening.

THOSE WE CHOSE

Skitch Henderson

NATIONAL BROADCASTING COMPANY, INC.
30 Rockefeller Plaza, New York, N.Y. 10020
CIRCLE 7-4324

I want to thank you for the opportunity of selecting
Paschal's most attractive young lady.

From the photographs submitted to me, it is impossible
to make a definitive choice because everyone is so
attractive. In my judgement, possibly because everyone is so
day's mood, I chose Katrina Dean. But in doing so,
I believe the selection should go to all the finalists.

Good luck,
Skitch Henderson

Dear Panthers:

Thanks so much for asking me to choose
your KING!

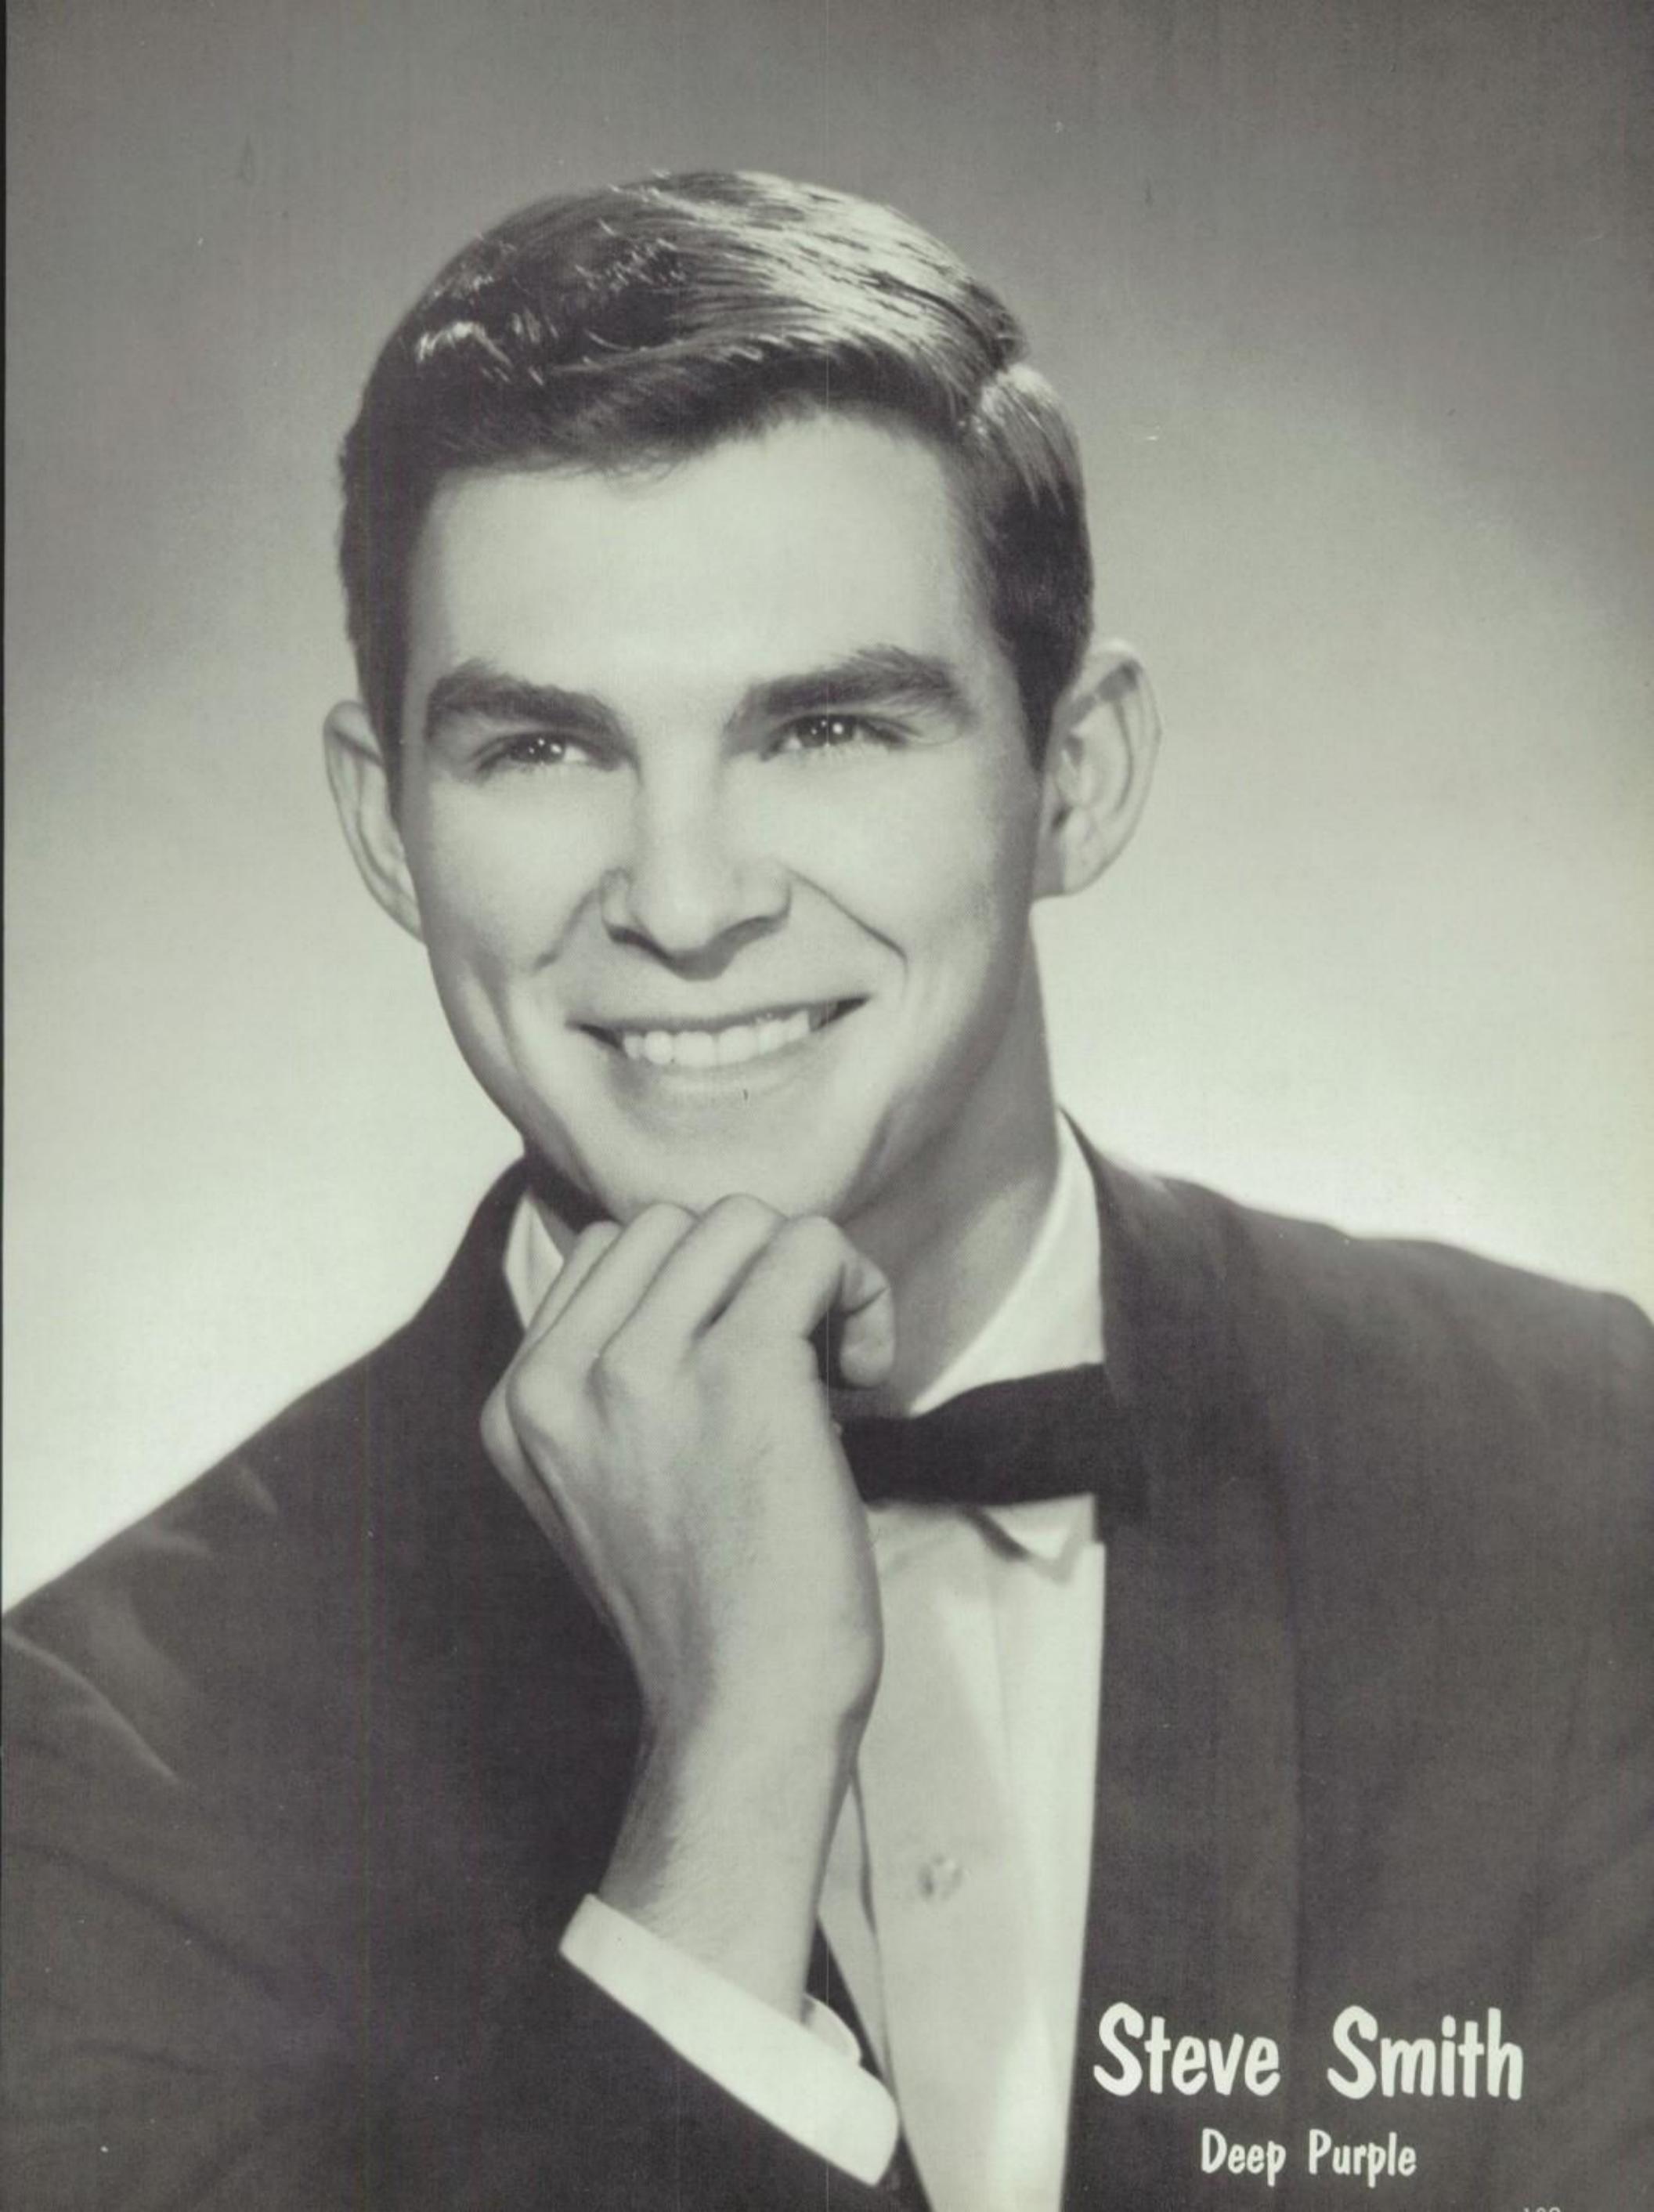

All of the finalists are DOLLS - and
I'm sorry I couldn't come out to see
them in person - but I did come up with
a choice, and he's STEVE SMITH.

Much luck and happiness to all of you!

Love,

HOMECOMING QUEEN

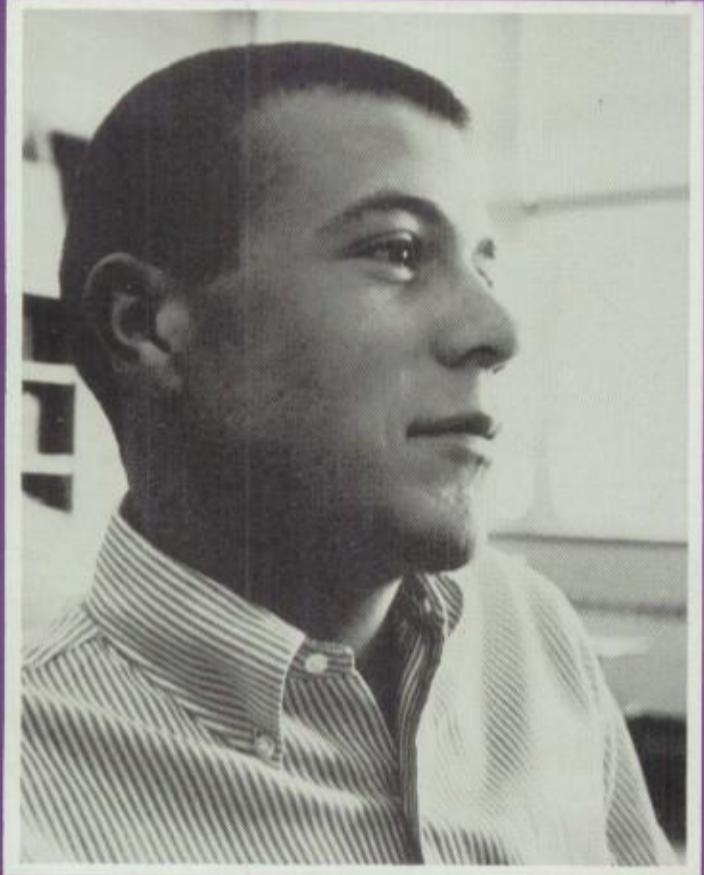

"Stand to your work and be wise—certain of sword and pen."

A positive person in every activity she undertakes, BEVERLY ANGELL is known by the faculty and her friends as an organizer and a leader of "causes". As past editor of the *Pantherette*, she has been an outstanding representative of Paschal in numerous writing contests. BEV'S high ideals and service are traits to be admired.

"Resolve to be thyself."

An individualist in every respect MARGARET ANKELE is always willing to give of her time to aid in the activities of the school. As Vice-President of Pan-Am, she handles the meetings most successfully. MARGARET'S sincerity and eagerness to help endear her to all who meet her.

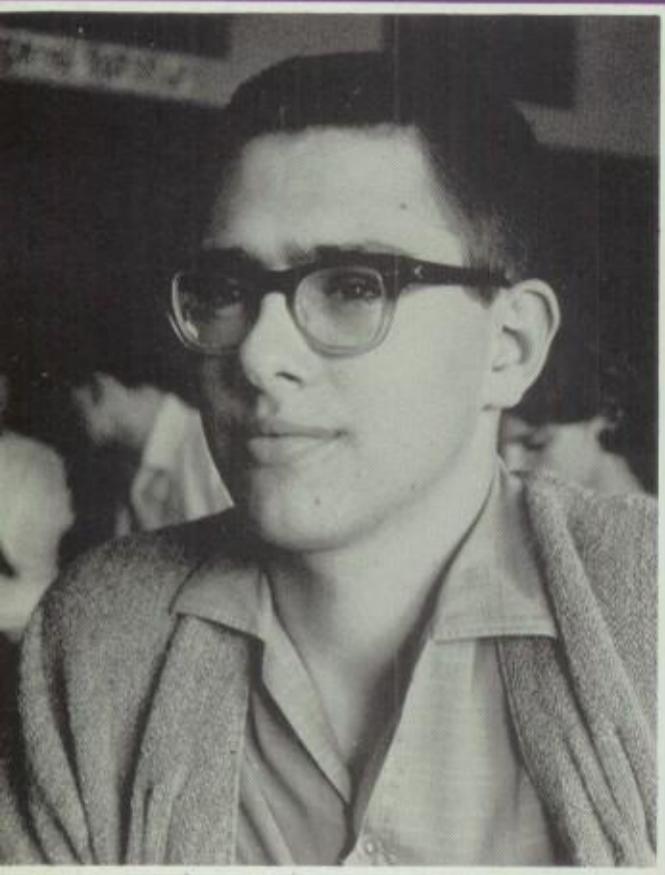

"For the good are always the merry."

The embodiment of friendliness and good humor—that is CHARLES BORGESON. His attitude of cooperation and good humor is displayed in his endeavors in Scouting, service and sports at Paschal, and community service through the Tarrant County Youth Council. Paschalites who know CHARLES realize that his ready grin and pleasant disposition are only external manifestations of a genuinely happy and considerate person.

Royal

While most students at Paschal devote their high school careers to attaining the goals of scholarship, courtesy, loyalty, and cooperation set forth early in our school's history, some enhance the lives of all of those about them by going farther than is required. Each year the faculty and administration at Pas-

"To strive, to seek, to find, and not to yield."

An excellent and inquisitive person, MIKE DE MANCHE is always striving for the best in everything he undertakes. MIKE'S perseverance is seen in the hard work he puts into the band and his outstanding science fair project.

"No endeavor is in vain; its reward is in the doing."

Not one to do anything half-way, DAVID COCHENER attacks his duties with eagerness and diligence. As President of Pan-Am, he worked hard to make the Argentine Amigos feel at home. DAVID'S attitude, appearance, and knowledge make him a most valuable representative of Paschal.

"A thing of beauty is a joy forever."

The only high school member of the TCU ballet troupe, MICHELE ETIER brings her own contributions of beauty and joy to her school and community. An ROTC sponsor for the second year, she spends a great deal of thought, energy, and time promoting a wholesome attitude within the Corps. MICHELE is an excellent scholar who reflects credit on her school and on herself.

"She liked what'er she looked on and her looks went everywhere."

An air of friendliness and cheerfulness always surrounds CONNIE FRAKER, whether she is in the classroom or working on extra-curricular activities. A most cooperative student, CONNIE works well with other students as well as with teachers and goes beyond the minimum requirements.

Purples

chal nominate students to be recognized in the Royal Purple section of the **Panther** for their outstanding work and leadership. These students represent separate phases of Paschal life, yet combined they make up the world of Paschal student body. Therefore, we dedicate these pages to the 1964 Royal Purples.

"Oh could you view the melody of every grace and music of her face."

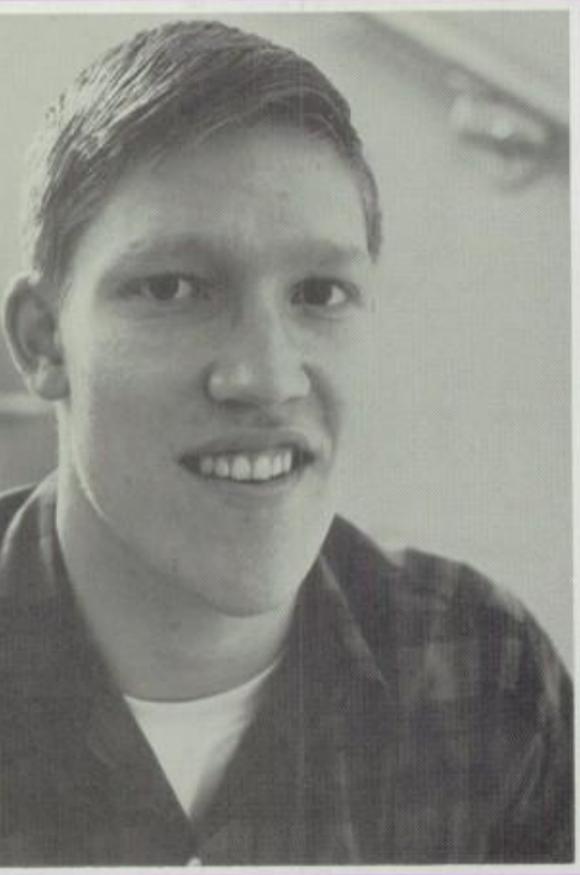

As a cellist in the Fort Worth Symphony, SALLY GUNTHER not only has made a great contribution to the Music Department, but also is a fine representative of the type of student Paschal should like to show the public. Well mannered and polite, SALLY is highly thought of by pupils and faculty alike for her enthusiastic participation in activities both in and out of school.

"Never leave that till to-morrow which you can do to-day."

An attitude of industry and willingness to cooperate is characteristic of BARBARA HUDSON. She is ever-ready to do her part to see a job through and spends many hours in such extra-curricular activities as Future Teachers' Club and yearbook work. Coupled with fine intelligence and loyalty, these qualities combine to make her a fine representative of Paschal.

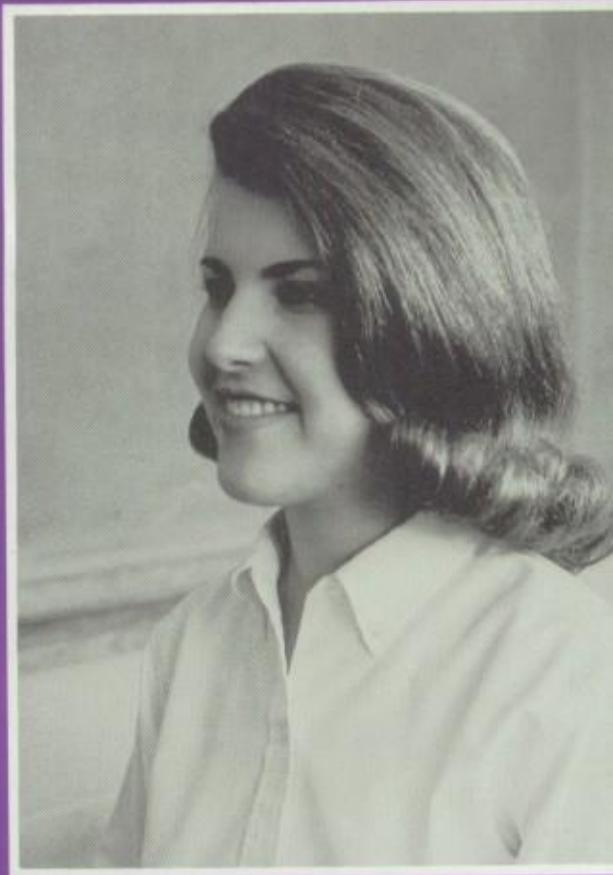

"If all men count with you, but none too much . . . you'll be a Man, my son!"

Friendly and cooperative, BOB HUNNICKUTT hasn't let popularity and his many honors go to his head. He displays his integrity in every area of school activities. As President of the Senior Class and an all-district basketball player, BOB'S leadership and sportsmanship show the qualities of an excellent citizen.

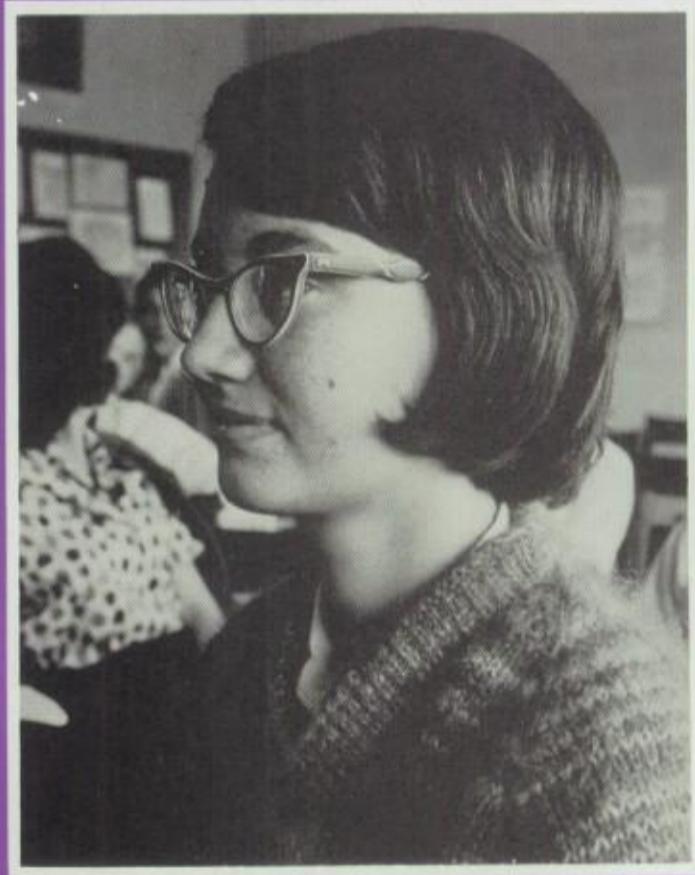

"Still constant is a wondrous excellence."

Beautiful to look at and lovely to know, CAROL JACOBSEN shows a steadfast interest in everything she undertakes to accomplish. Her fellow students' admiration for her delightful personality and her intelligence was reflected by their choosing her Homecoming Queen and Senior Class reporter. CAROL is truly a fine representative of Paschal in every sense.

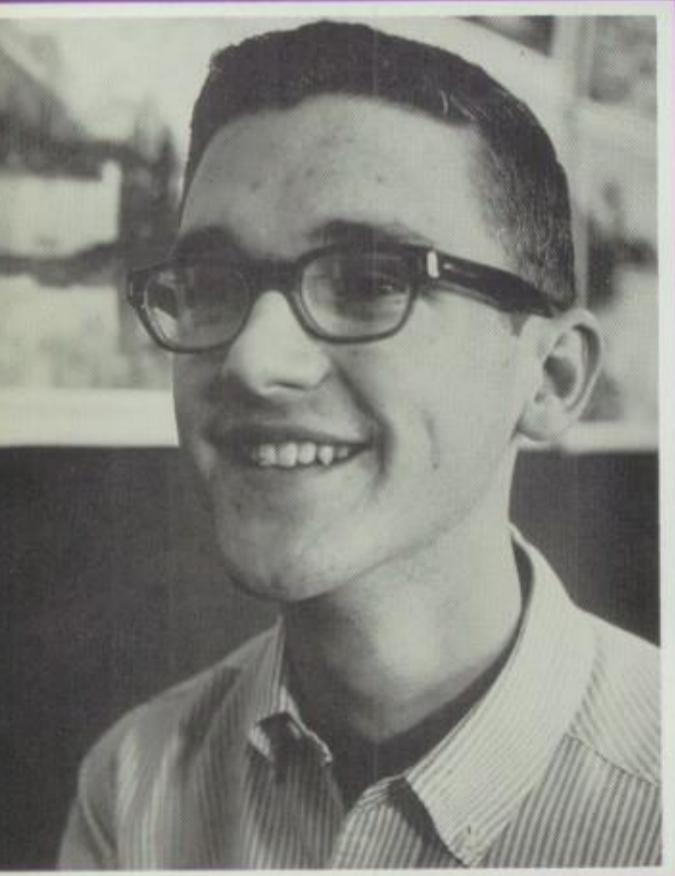

"Work and thou wilt bless the day ere the toil be done."

Although a newcomer to Paschal, JANET JELEN has already become involved in its lifestream. Working on the *Pantherette* has brought out the creative spark in this future history major. Every spare minute is taken up by church work, school work, or even knitting. A shock of red hair and a skein of yarn are her own special trademarks, while an abundance of energy and a working knowledge of time are her ever-present tools.

Royal

"He shall be like a tree planted by the river of water that brings forth his fruit in his season."

BILLY LEONARD'S stay at Paschal has been one marked by constant enthusiasm for every task he undertakes. He is always ready to help in any way possible. His cheerful outlook has never faded. From fellow-Panthers BILLY has received the warm admiration that he so greatly deserves. BILLY'S personality is one which will remain forever an attribute to him and a boon to the many who know and respect him.

"Live with a Dream or not at all."

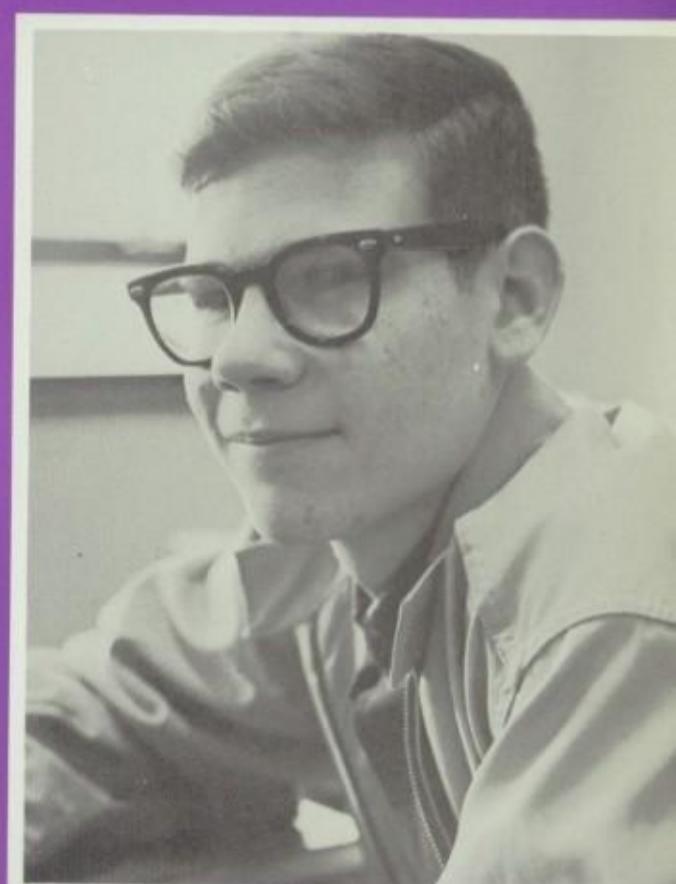

For the last two years, SHERALEE JONES has graced Paschal's halls with the winning smile and pleasant voice which make up her own endearing brand of optimism. To the many students and faculty members who know SHERALEE, she is a truly sincere person, who devotes her efforts to the school through her job in the Counseling office, her service council work, and her generally school-spirited attitude. SHERALEE is a wonderfully rare person who realizes the worth of the individual.

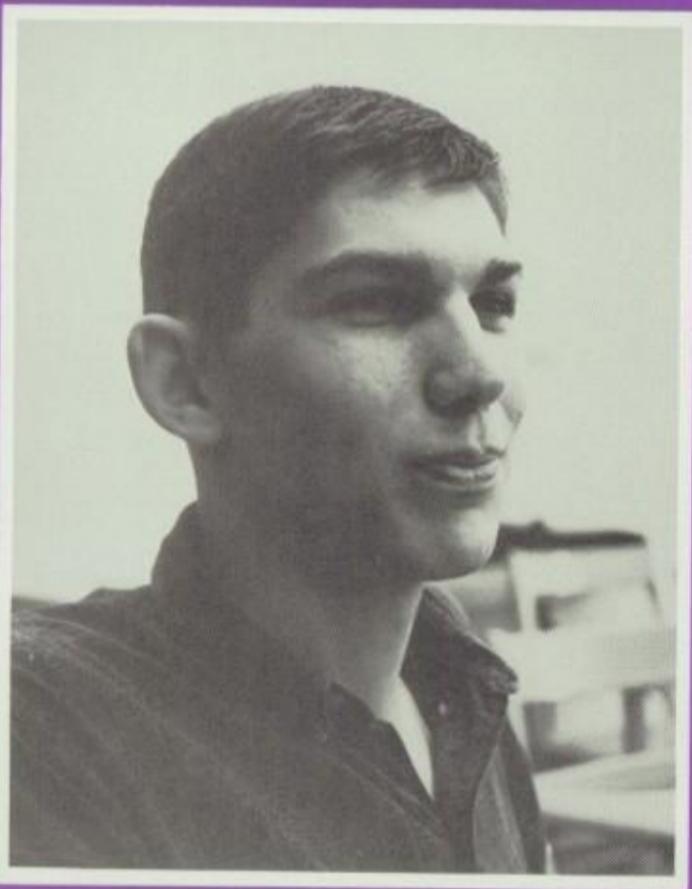

"Who are neither children nor God, but men in a world of men."

For their leadership in school and on the football field, LOU LEVY is saluted by the faculty and his fellow students. Pleasant and friendly with all people, he never fails to speak for what is right. LOU'S excellent abilities make him a fine representative of Paschal not only as a scholar, but also as an athlete.

"He who dares to be different."

Every society must have its critic; thus Paschal has its JIM PALMER. From his co-editor position on the *Pantherette*, his voice has been raised frequently but sincerely where a voice was needed. From behind black-rimmed glasses, a judicious visionary views Paschal in strictly objective terms. His terse journalistic style has won numerous awards, and his wry humor has awakened many a classroom.

"There is always a new horizon for onward-looking men."

One of Paschal's National Merit Finalists, JOE RIDDELL has brought credit to his school and himself through his superior grades. A hard worker, both at school and in his church, JOE is given positions of importance because of his dependability and trustworthiness.

Purples

"Where the willingness is great, the difficulties cannot be great."

Willing and cooperative, GLENNNA SCHROEDER does a lot more in every field than she ever wants or gets credit for. A very fine student and leader, GLENNNA has the attitude that makes a fine school spirit and a helpful, loyal friend.

"Ride on! Ride on over all obstacles, and win the race!"

A keen interest in both his studies and athletics makes BILL RUSSEL a leader in Paschal and a Royal Purple. Quiet, but always courteous and interested, BILL is an excellent student with particular ability in mathematics and science. Representing Paschal as a starter on the "A" basketball team and on the baseball team, he was chosen for the Jim Jackson Most Valuable Player Award by his basketball teammates. As an athlete, scholar, and leader, BILL RUSSEL has earned the respect of faculty and students alike.

WHAT WE DID

MIDST THE GOLDEN TONES OF AUTUMN
PASCHAL PANTHERS

To greet the new faces of students, workmen give the campus a new look. One such improvement is a counseling office which was expanded to accommodate the pupils.

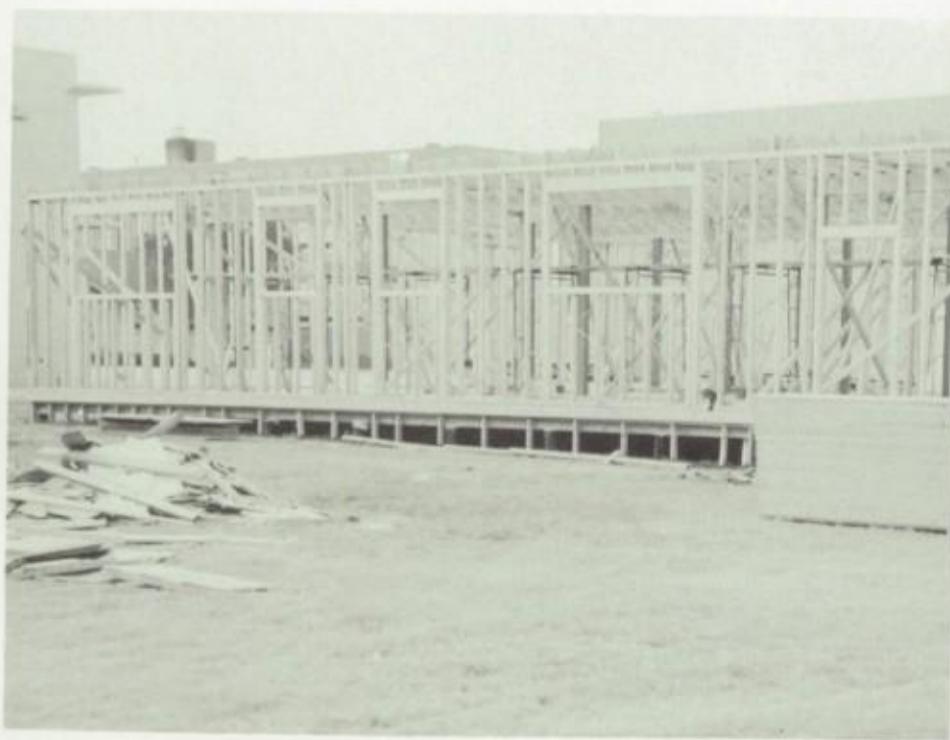

And they said I'd never pass woodshop.

The idea for a new fountain emerges as Robert Trimble searches for his senior ring.

... Put on a New Face

The frame cafeteria slowly forms from a skeleton of wood and nails.

Paschal's parade of model homes gets a new paint job.

Additional strain on enrollment was reflected in the large increase of teachers. Each department expanded its curriculum to meet the diverse interests of its individual pupils.

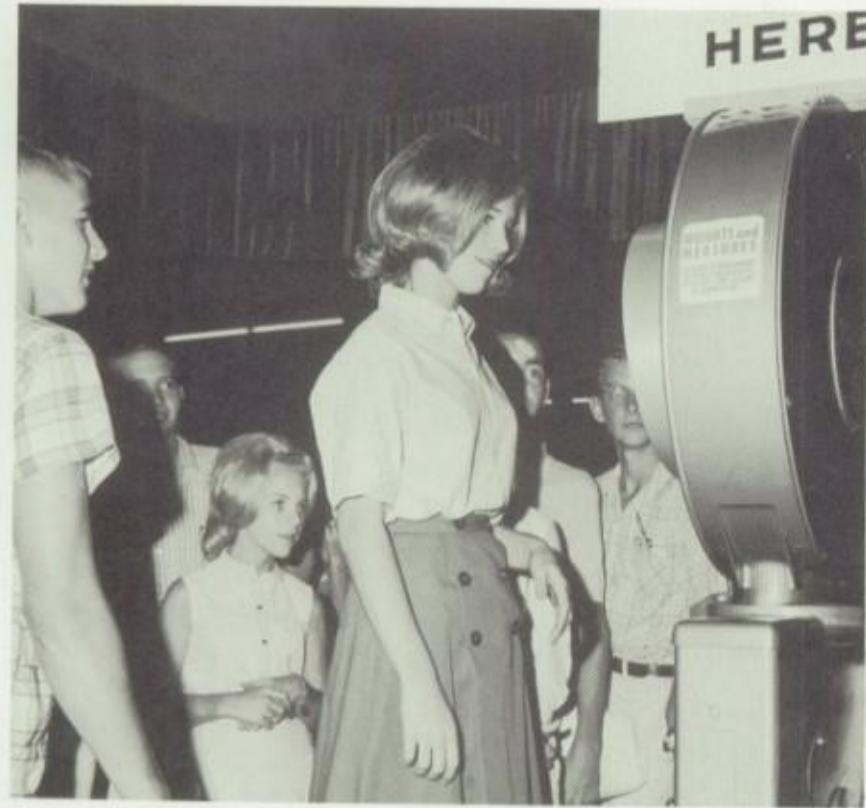

Yearly running for classes leaves juniors and seniors tired and ragged.

"Say, you can forge well," says Mrs. Thompson, okaying a tentative schedule.

How much do I owe you for that "A"?

"Is 'X' your first or last name?" asks Mr. Hudgins as he signs up a student for his classes.

... Crank Up the Old Grind

Okay, but where's my fortune?

Paschal biologists arrive at Will Rogers Exhibit Hall to visit Fort Worth's first Health Fair. The many vivid displays stirred the minds and stomachs of busloads of students.

... Observe How Their Health Fares

So that's where they come from.

Hey, that's the same shade as your lipstick!

Howdy Week Royalty, Betsy Brooks and Denny Alexander, reign during the traditional welcome week for new students.

"Who eats lollipops? I use them to hold my tongue in," brags Susan Gant to Marilyn Priddy as they entertain at the Howdy Week Program.

Cheerleaders don winning smiles at the pre-school party for sophomores.

POSSE boys, Bill Campbell and Truitt Clinard, enjoy stashing bottles.

Name tags prove a great help in learning new names.

. . . Roll Out the Purple Carpet

What truck? I don't see a truck.

"When the Saints Go Marching In"—John Tucker,
Johnny Yates, Ben Dyess

. . . Stroll and Roll to Hallowed Halls

Bells ring and the sheep return to the fold. The ways they return are numerous and varied—using cars, feet, trikes, and bikes.

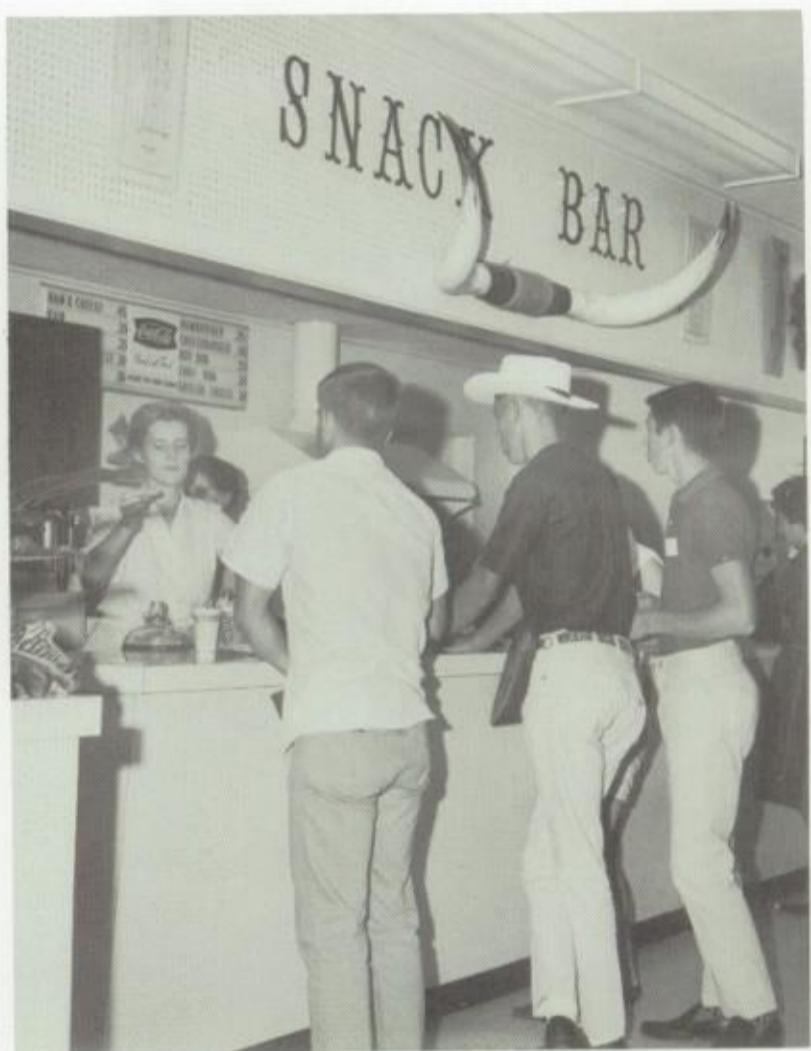

Scenic cruisers deposit scholars at one of Paschal's many entrances.

Students cheerfully rush to homerooms.

Texarkana played host to hundreds of Paschal students blazing a trail on the yearly football trip. Explosive spirits of the week were carried from buses to stadium to guarantee victory for the team.

No, I do not want a pinch of salt in my coke.

... Go Greyhound to Victory

"Whip it on 'em, Paschal Panthers," urge cheerleaders as time for departure nears.

Superstitious Paschalites hopefully nail up fetish.

Cheerleaders at the Homecoming pep rally appear through the sea of faces to lead yells that recall vivid memories for exes.

At the Homecoming Dance, end of the week's festivities, a queen was crowned and a victory was celebrated. Most popular step was the Yellow Jacket Stomp.

... Extend Paws to Past Grads

"It'll never get off the ground," cautions Dianne Dennis to Pam Dixon and Sandy Davis.

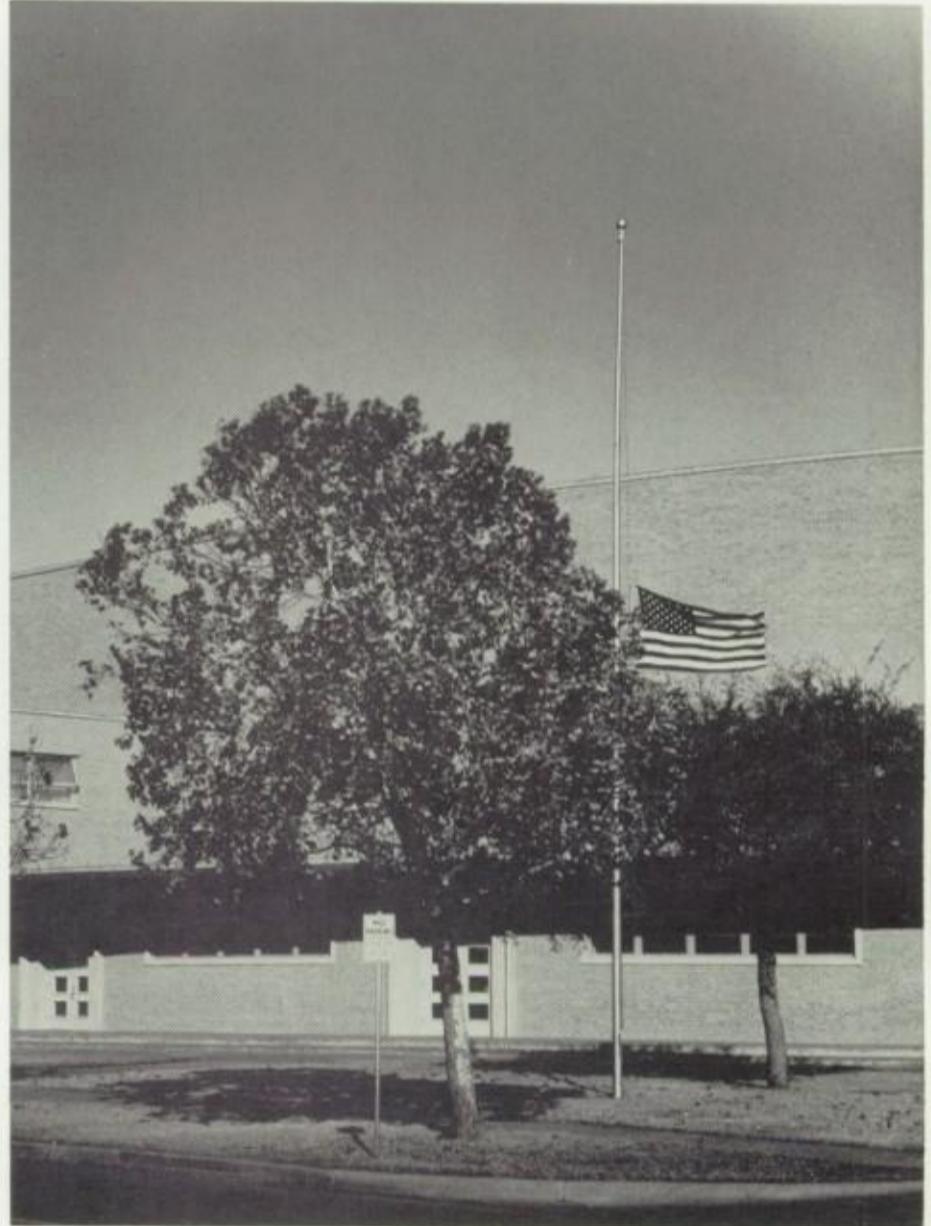

Rob Johnson seeks to keep Carol Jacobsen from going into orbit with newly won crown.

Nonconformist Carey Caldwell claps on the offbeat.

A national legend became a national symbol of courage; Mrs. Jacqueline Kennedy became a widow. The grace she gave her tasks as First Lady was a charming complement to her husband's political virility. Roses and affection greeted this couple in Fort Worth on what was to be their last public visit.

No Paschal student, no American will ever forget the day November 22, 1963. Objectively speaking, it was the most historical day of any pupil's life. Personally speaking, it was the first time many had experienced such great tragedy. A flag flown at half-staff was a fitting but inadequate emblem of a country's grief for its assassinated leader.

... Share a Nation's Sorrow.

Disillusioned pupils turned to teachers for comfort, asking questions that could not be answered.

Huddled around radios, students listened for any note of hope. When the fateful news was announced, it was met with stunned disbelief, and a stifled sob from the corridor.

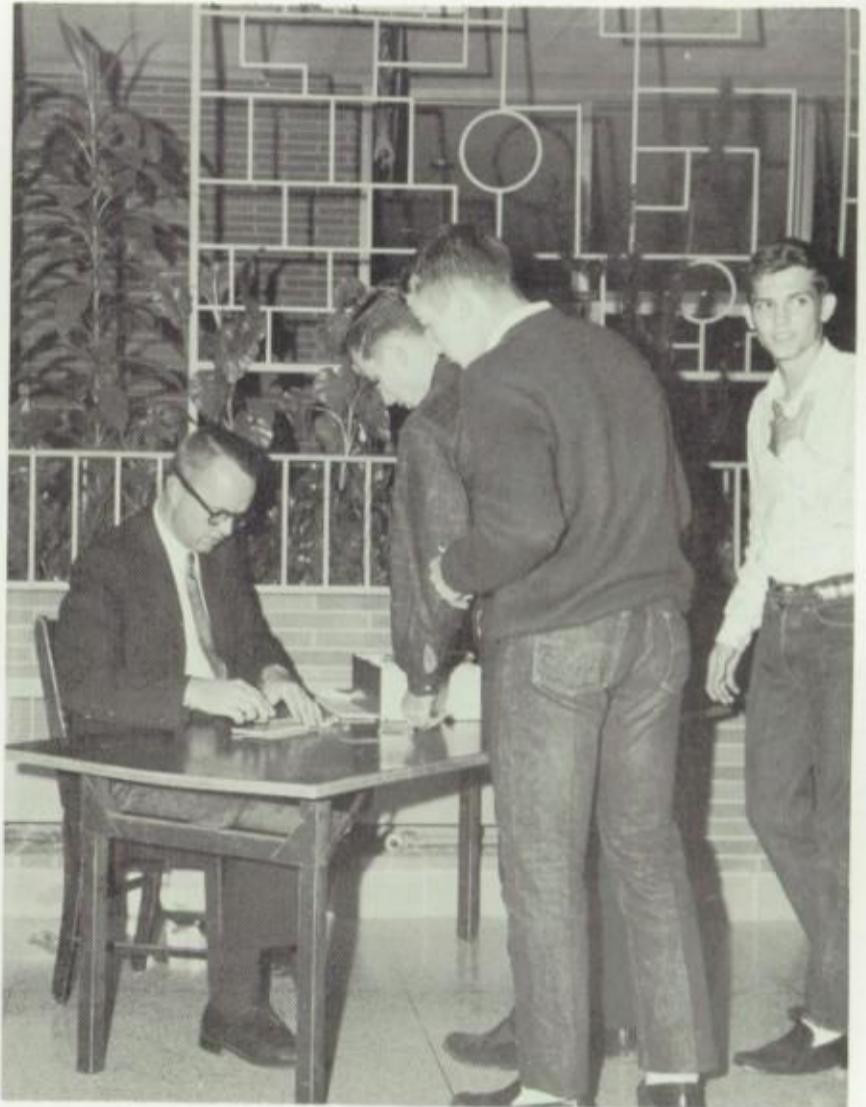

BRAVING WINTER'S ICY

I'm sorry but you'll have to join the models' union.

What comes after \$4,836,231.48?

I wonder how much we could get for these on the black market?

Students' unknown plight: the amount of money spent on game tickets, dance tickets, and paid assemblies. Also included in the yearly sums are P. E. fees, raffles, and bets on championship bouts.

But I'm tired of exercises; I want results.

If I can't be the engine, I just won't play.

Lines, solos, and combos danced, sang, and played their way to fame. The talent flowed, fast and furiously.

If I've told her once, I've told her a thousand times—
don't starch my shirts!

Business, industry, and greater Fort Worth were visited and viewed by the future leaders.

The American school system went on review in minds of curious observers.

Mrs. Reid distributes name tags to Amigo hosts. Families of students opened their homes to foreign guests who were sponsored by the Fort Worth Press.

"Is he kidding?" Faces of leading citizens reflect their reactions toward Mr. Berry's welcome speech spoken in Spanish. Argentine exchange students were visitors to Paschal and Fort Worth for two weeks in the Operation Amigo program dedicated to making friends by meeting strangers.

Not only industrial America but cultural America held interest for the Argentine teen-agers. Van Cliburn chats with fellow music lovers.

Cindy Lydick and Juan Tomas compare their countries' physical fitness programs by Indian wrestling.

My, what big shoulders you have!

Every time I tuck my tummy in my pants fall off.

Go tell Mrs. Reed I just found the tunnel.

Why doesn't anybody ever ask for my autograph?

Say "Adios"

Folk music and folklore were exchanged by the foreigners and the natives.

Parties and food were common ground. Language barriers dissolved when these two appeared.

Operation Amigo helped open the door leading to future world alliances.

to Friends

Doesn't an electric golf club with a telescopic sight take the fun out of the game?

After a whirlwind two weeks, good-byes were finally said. A deep knowledge of two nations, a deeper respect of new friends were voiced in simple promises to write.

A gossamer of lace changed Fort Worth to a wonderland of ice. Record-breaking snow of twelve inches transformed the usual, everyday scene into an unusually beautiful portrait.

Long and lanky looks of the Old West set Paschal back a hundred years. Dressed in levis and buckskin, girls went casual and boys grew beards to be authentically Western.

Fashion styles followed fancy and little else. Culottes, shifts, madras, and Oxford cloth made Paschal strictly ivy league.

Art Club Encourages Aesthetic Interests

The Paschal Art Club, organized in 1959, is one of our most active organizations. Its purpose is to encourage interest and understanding of the fine arts through programs, lectures, visits to galleries, and school art shows. Among its accomplishments are the formation of the Little Gallery and the sponsorship of art shows and scholarships. Activities outlined for this year's 31 members included drawing, painting, crafts, and commercial shows with awards given. Under the sponsorship of Mrs. Beatrice Dunning, club members enjoyed lectures and programs supplementing the regular art curriculum.

Band Marches in Cotton Bowl Parade

Fire Prevention and Stock Show Parades allowed the Paschal Band to exhibit its skill this year. Even more of an honor was the invitation to march in the Cotton Bowl Parade. In the First Marching Festival, in competition with fifty-five other bands, the Paschal Band reached first division in marching and inspection. In the state level University Interscholastic League Contest at Texas Christian University, it captured two first divisions and completed the first step of a sweepstakes band.

One of the top five stage bands in a Brownwood contest was Paschal's, which is two years old. The entire band participated in the Peanut Bowl at Eastland on September 14. Joe Percy, Dean Parks, and Penny Locke were chosen for the All-Star Band, an honor sought by over 800 band members.

D. E. Plans Survey of Past Students To Determine Their Success

As tomorrow's leaders in the fields of marketing and distribution, the members of Distributive Education strive to develop a high degree of citizenship through experience on a part-time job basis while in high school. During the past year, members participated in the state convention, entering sales and interview contests. The group also heard speakers from business organizations and cooperated with the Credit Men's Club and the Advertising Club. Other activities included a fall luau honoring officers, a Christmas open house, participation in the marketing seminar at Texas Christian University, and an open house honoring training sponsors. Plans for the future include a market research project and a survey of D.E. students of the previous ten years to determine their success.

Future Nurses contemplate future careers as "head" nurses.

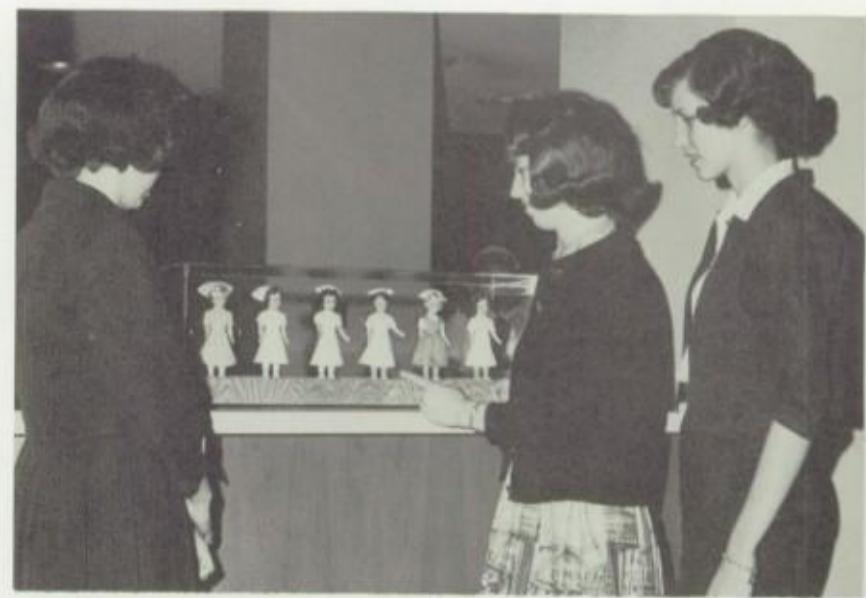

Field Trip to Harris Hospital Highlights Future Nurses' Year

To inform, interest, and encourage students to consider nursing and the allied health careers as a vocation is the purpose of the Future Nurses Club. This year, sponsored by Mrs. Ellamargaret Orren, they have endeavored to stress the "allied fields," which include medicine, dentistry, pharmacy, and medical technology. In addition to attending the regular monthly meetings, members participated in a candy sale and a field trip to a nursing school. A number of interesting speakers were featured on the monthly meeting programs. The club was organized in 1954 and claims a membership of 40.

F.T.A. Offers \$100 Scholarship to Deserving Future Teacher

Learners, now aspiring to be teachers of the future, comprise Paschal's Future Teachers of America. Sponsored by Mrs. Aubyn Kendall, the club invited teachers of all grades to speak at club meetings. This year kindergarten, elementary, junior high, and high school teachers talked on their specialties. The sophomores among the Future Teachers gave a program of their own choice in March.

Earlier in the year members of F.T.A. gave apples with a note of appreciation to the teachers at Paschal. A one-hundred dollar scholarship was provided for a deserving senior; this was presented at the annual banquet at the end of April.

A delegation of F.T.A. officers attended the state convention held in Austin on February 28-29. A Saturday evening dance with presentation of awards highlighted the convention.

At another meeting the members learned French Christmas carols. They celebrated Christmas and the end of the year with a party. The purpose of the club is to seek truth, and to present a supplement to classroom work in history. This year the 61 members visited city officials, attended public meetings and school board sessions, and heard a series of selected speakers.

All-City Chorus Selects Wittneben As Soloist

The Mixed Chorus, Girls' Chorus, and Boys' Double Quartet strive to provide their members with a singing background of all types of music. Performing in such programs as PTA meetings, the Christmas assemblies, the Amigo assembly, the Spring Musicale, and Commencement, the groups are all directed by Miss Lois Ruth Mitchell. This year selected members sang in the All-City Chorus, and Albert Wittneben and Robert Staples won first and second places, respectively, as soloists with the group. A beneficial activity for both choruses was participation in the Texas Wesleyan College Choral Clinic. The Boys' Double Quartet, in addition to participating in school programs, sang for outside groups. Also included in the Music Department are classes in Music Appreciation and Harmony, taught by Miss Mitchell.

National Honor Society Recognizes Top Scholars

The National Honor Society, under the sponsorship of Miss Lois Anne Smith and Mrs. Goldie Ripper, has as its aim the recognition and promotion of scholarship, service, leadership, and character in the pupils of Paschal High School. The R. L. Paschal Chapter was organized in 1935. Fall term members are seniors with all "A" averages for the previous two years; spring term members must be in the top fifteen per cent of the senior class. The annual spring luncheon is the chief activity of the group.

Pan-American Student Forum Spanish Club Officers to

The Paschal Pan-Am Spanish Club was founded in 1935 through the efforts of present sponsor Louise Bomar. Paschal's club was originally a member of a national Pan-Am organization, which broke up at the outset of World War II. It functions now as a member of the PASF of Texas and is dedicated to encouraging a respect for all nationalities in the Americas and an understanding of them based on a more thorough knowledge and appreciation of the peoples of all the countries of the Western Hemisphere. It encourages the learning of Spanish as a medium of communication and serves as an example of what can be accomplished by individuals of different ancestry working together.

Welcome Paschal's Annual Convention

This year's club of 114 members has participated in a number of outstanding and rewarding activities including "Operation Amigo," for which the club was official host. The members served as guides and interpreters for the Argentine students during their one-week visit to Paschal.

The club celebrated a typical Mexican Christmas with a fiesta at El Chico's on December 12. Highlighting the spring semester was the PASF state convention at Austin from the 19-21 of March. The delegation, headed by president David Cochener, attended several workshops on Latin American activities, blending in a modicum of fun for good measure.

Pantherette Becomes All-American

This year Paschal's bi-monthly newspaper was chosen as one of the select few all-American papers by the National Scholastic Press Association. The honor was last won in 1956 and is only one of the *Pantherette*'s many achievements. Designated as the best in the city by the **Fort Worth Press**, it had numerous awards given to individuals on the staff. This success can be largely attributed to the sponsors, Mrs. Margaret Caskey and Mrs. Goldie Ripper.

In 1927 the first issue of the *Pantherette* went to press. Since then the paper has grown in quality and size, often six pages, longer than that of any other school. The paper is issued every other Tuesday and costs only ten cents. It presents an accurate picture to the students and faculty of life at Paschal. The staff members acquire skill in writing and in the mechanics of a newspaper.

The members of the staff proved their originality in the basketball game with the annual staff by using nineteen players and two basketballs. They showed their appetites at the banquet at the end of the year. Journalism pins were awarded to those members who wrote a required number of lines in columns, news articles, features, interviews, and editorials.

Red Cross Sends Exhibit to Canada

The High School Red Cross, originally founded in 1917 by Woodrow Wilson, was organized at Paschal during the school year of 1940-41 by Miss Grace Burkett in order to give Paschal students the opportunity to assist in the work of the American Red Cross. This year's 50 members under the direction of its sponsor, Miss Shirley Wilkinson, and President Barbara Blakistone have prepared a relief chest for disaster areas. The club also prepared an exchange exhibit from Paschal for the Canadian Junior Red Cross. They also assisted in the annual Red Cross drive for funds.

Tactical maneuvers and a tank excursion with the 49th Armored Division heightened excitement in the Reserve Officer's Training Corps this year. A recruiting drive aimed at junior high school boys included publicity and open house. Organized 59 years ago the Corps is commanded by Sgt. Dallas L. Harris and assistant commandant S.F.C. Adolph E. Cooksey, who spent the year before in Vietnam. The drill team is the defending city and inter-city champion. Extra-curricular activities include rifle team, drum and bugle corps, basketball and softball teams. The sponsors participate in the girls' Rifle League and help with all-city activities such as the Christmas dance and the spring formal.

Senatus, Clad in Togas, Celebrates Saturnalia

Vergil's *Aeneid* formed the classical background for the SPQR Senatus this year. Devoted to the intensive study of the author of the year (either Vergil or Cicero), the members encouraged advanced Latin study by personally talking to second year students and telling them the merits of advanced study. The club has purchased several models of ancient Rome for the Latin Department. A major service is the distribution of honor cards to "A" students each six weeks' period. A memorable Roman Saturnalia was held during December.

Mr. Louis Hudgins and Mrs. Frances Grisso assumed the sponsorship of the club this year. Members enjoyed a program on mathematics and several informative films. A Christmas party and a banquet held in April to honor "Straight A+" science students highlighted the year. In addition, a field trip was conducted at the Nike missile base in Denton during the fall.

Service Council Compiles Student Directory

When new students and visitors meet smiling faces, seek information at one of the two student activity boards, or observe the courtyard, they are seeing the effects of the Student Service Council. Sponsored by Mrs. Winifred Elliott, the Council encourages high standards and school spirit through words and deeds. The four points of the honor system—courtesy, cooperation, loyalty, and scholarship—are the impetus behind its actions. The Service Council, consisting of homeroom representatives and class and student body officers, correlates student body and faculty and assists in school activities. During Howdy

Week the sophomores are greeted and presented a program. The student directory is compiled and sold in the fall. The Sports Follies tickets are sold, ushers are provided, and the Follies are publicized. During Public Schools Week there are hospitality committees. All of these services and others, such as student body elections and various programs, are provided by the Service Council. Its 200 members (100 representatives and 100 alternates from the homerooms) are elected with high grade averages. The sixteen student body and class officers make up the steering committee.

"Stage Door" Climaxes Vagabond Year

Since its formation in 1928, Vagabonds, under the expert direction of Mrs. Miriam Todd, has offered Paschalites an excellent season of first-rate plays performed with near-professional ability. Besides producing their own plays, the members make a point of attending the fine offerings available in the Fort Worth area. This year the season was climaxed by the three act, "Stage Door," which was presented to full houses of pleased and entertained Panthers.

Paschal Captures District Championship

The Paschal Panthers swept to their fourth straight district football championship and captured a spot in the state playoffs. Paschal posted a perfect 6-0 record in district competition and a 9-3 mark over the regular season.

After dropping their first two starts, the Panthers reeled off nine straight victories before falling to Garland in the quarterfinal playoff game. Paschal chalked up five shutouts in district play. Eastern Hills was the only city team to penetrate the Panther end zone.

The Panthers won several important individual awards. Guard Greg Pipes earned a berth on the all-state team. In addition, Pipes, Halfbacks Glenn Ingram and Danny Cushman, Ends Clay Carpenter and Ronnie Muller, Tackles Johnny Polk and Lou Levy, Fullback Charles Crabtree, Quarterback Randy Conway, and Center Gary Freer were included on the all-district team.

Ingram enjoyed an outstanding year. He led the district in both rushing and total offense with 848 and 852 yards respectively. His 42 points were good enough for second place.

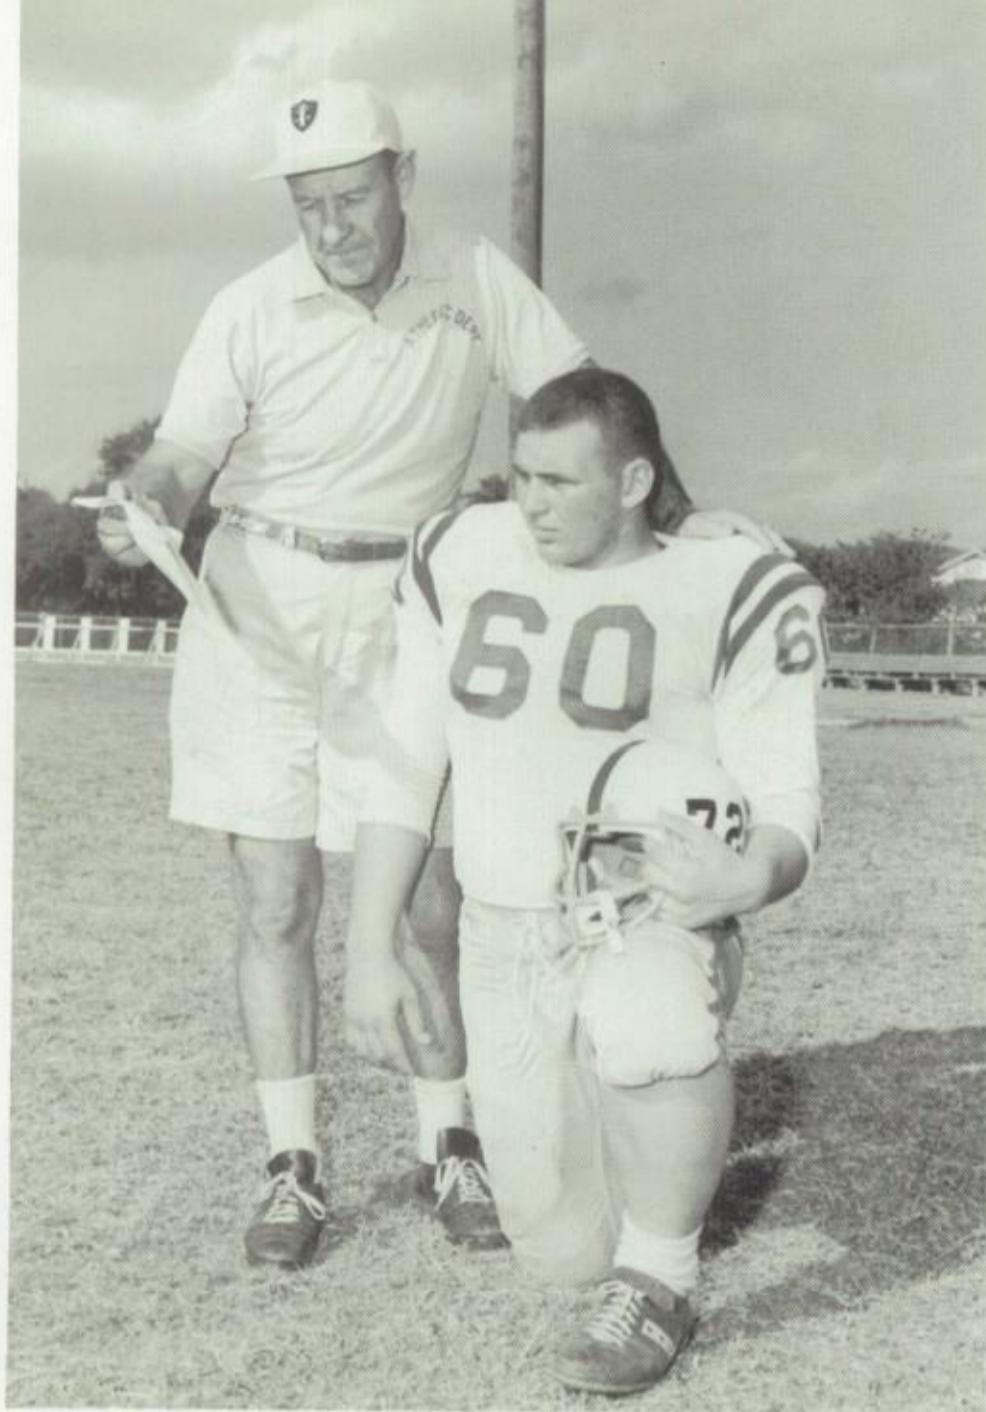

Conway was the city's most accurate passer and placed third in pass completions while Quarterback Robin Gibbs finished second in punting.

Revenge! Paschal-23 Eastern Hills-7

Nov. 8 — The Paschal Panthers gained the revenge they were seeking as they upended Eastern Hills, 23-7.

The victory avenged last year's 8-7 loss to the Highlanders and allowed the Panthers to remain unbeaten in district play.

Eastern Hills opened the game by marching 66 yards for its only touchdown. Leslie Jackson threw 17 yards to Ted Harris for the marker. Mike Moore converted to give the Highlanders a 7-0 lead.

Quarterback Randy Conway led the Panthers to the tying touchdown just 48 seconds before the first half ended. Working from the spread formation, he threw key passes to David Yates, Jim Little, and Bob Black to spearhead the drive which reached the nine. Then on fourth down, he fired a touchdown strike to Black. Dennis Hunt's first of three extra points tied the score at 7-7.

Early in the second half, Paschal moved 41 yards for its go-ahead TD after Gene Sanders intercepted a Highlander pass. Charles Crabtree climaxed the drive by slamming over the goal from three yards out. The Panthers added a safety to lead 16-7 at the end of the third quarter.

Danny Cushman's 27-yard touchdown return of an intercepted pass in the final period put the game out of the Highlander's reach and raised the final count to 23-7.

The largest crowd of the regular season, 11,083, watched the Panthers score all three of their touchdowns within a four-minute span of the third quarter.

Paschal struck quickly after the kickoff as Danny Cushman picked off a Jacket pass and raced it back to the one. Three plays later Fullback Charles Crabtree blasted over for the TD to give the Panthers a 13-0 lead.

The Yellow Jackets were forced to kick on their next series of downs. Punter Mike Nelson got off a 54-yard boot to the Paschal 10 where Cushman took the ball and raced it back down the sidelines for 90 yards and a touchdown. Dennis Hunt kicked the PAT to complete the night's scoring.

Highlanders End Panther Title Hopes

Paschal's basketball team was eliminated from the city race on the last night of the season as they lost to the Eastern Hills Highlanders. If the Panthers had defeated Eastern Hills, they would have won the second half championship. But the Highlanders won it to take the second round title and went on to defeat pre-season favorite Poly, the first half winners, in a playoff for the district championship.

The loss to Eastern Hills dropped the Panthers into second place of the second half standings with a 4-2 record after finishing third in the first half with a 3-3 mark. Paschal posted a 12-10 record over the regular season.

Post Man Bob Hunnicutt was team captain and leading scorer with 204 points and a 17.0 average. Second high scorer was Bill Russel, who tallied 129 points and averaged 10.8. Kirk Zimmer and David Leatherbury both scored 106 points and averaged 8.8.

Hunnicutt finished behind Carter's Dawson Granade and Poly's Gene Wilson in the district scoring race. He earned further honors by being named to the all-district team. Russel and Leatherbury were named to the second and third teams respectively.

TENNIS

Boasting five returning lettermen, the Paschal tennis team had a successful year competing in tournaments in Wichita Falls, Garland, and Waco. Under the sponsorship of Robert Barr, the netters made a fine showing in both the city double round-robin matches and in the city high school tournament. Representing Paschal in the city tournament were Marc Michie, singles, and Dan McLeland and Bobby Richardson, doubles. The net team posted its best season in five years with more boys participating in more matches than ever before.

Physical fitness tests are also held during the year. The girls' ability is tested in the following categories: sit-ups, squat-thrusts, pull-ups, 50-yard dash, shuttle run, and standing broad jump.

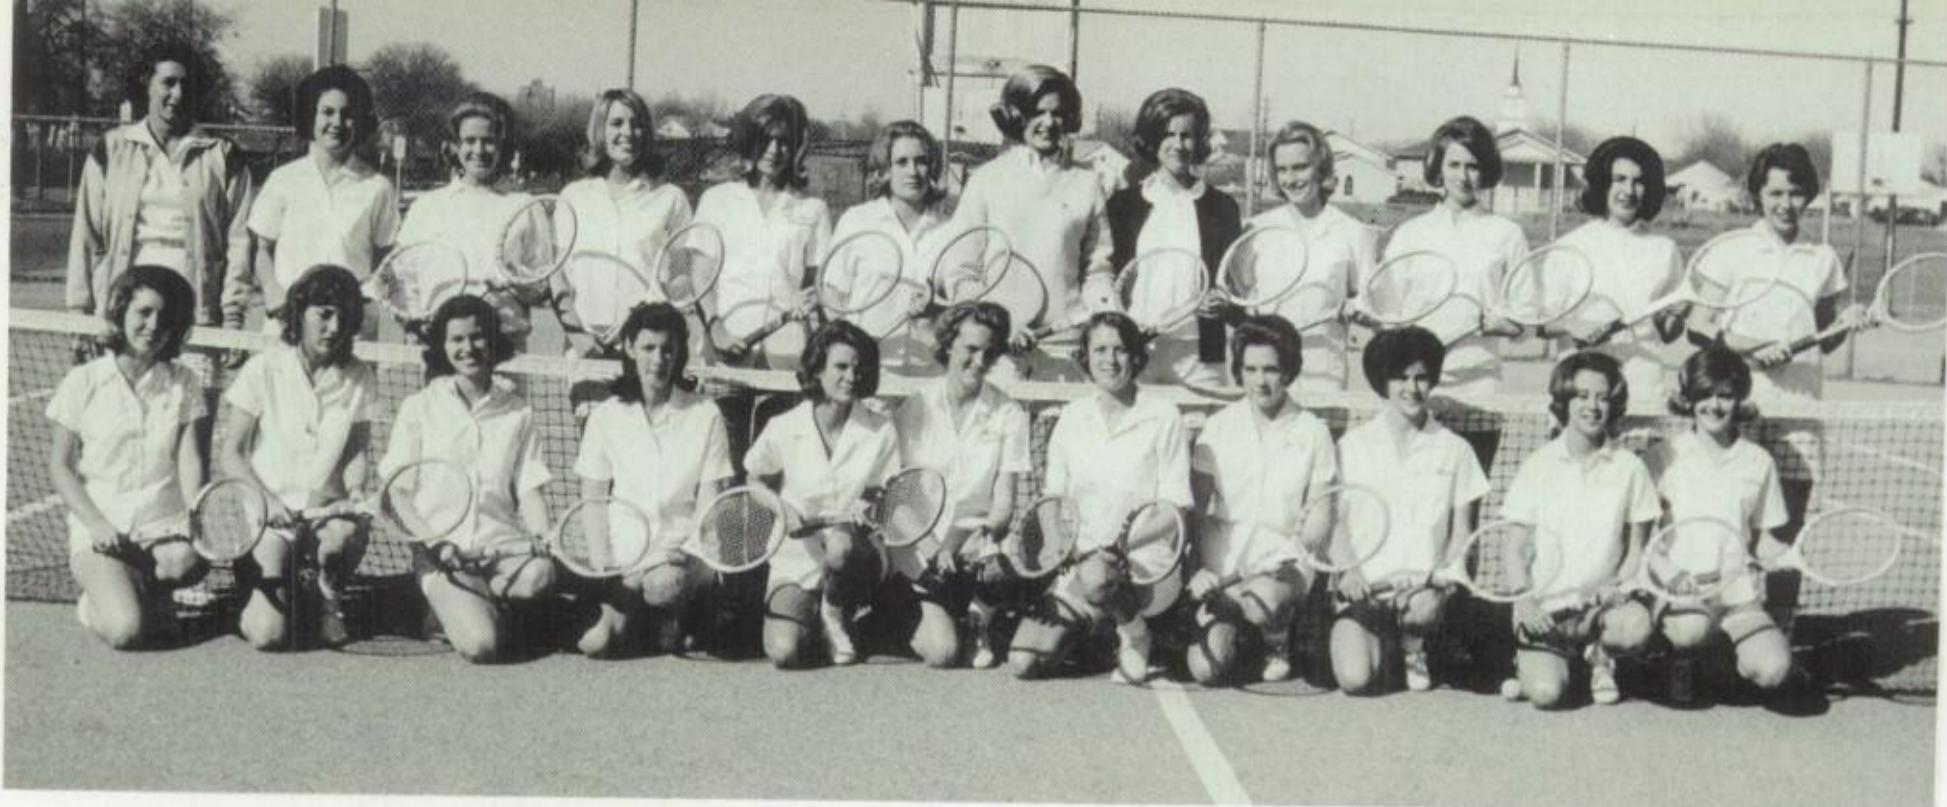

The various activities allow each girl to participate in a sport of her choice.
